Sunsets, Nature, & Urban Exploring Jason P Leshem, Photographer I have been enjoying the medium of Photography for the past 10 years, starting in 2007 with my main focus in B&W Photography, then as time went on I found the world of color. My main passions in photography are the thrill of the hunt. Subjects are focused around Sunsets, Nature, and Urban Exploring. I have had the privilege of shooting at many abandoned historical locations around Delaware, Pennsylvania, and Maryland. Current endeavors are supporting Cancer awareness and capturing the different views of recovery in photography.

Obscura Recent Photographs Beth Trepper What is revealed and what is implied? What is tangible and what is merely suggested? Beth Trepper's new collection of sepia photographic images, "Obscura", challenges the viewer to go beyond the obvious and enter a world of ambiguity in which diaphanous fabrics and natural relics dance playfully with the human form. Trepper's provocative images embrace a vintage, fin-de-siecle appearance and are mounted on tin ceiling plates.
